RE: Notice of *Ex Parte* Meeting – Structure and Practices of the Video Relay Service Program, Telecommunications Relay Service and Speech-to-Speech Services for Individuals with Hearing and Speech Disabilities, CG Docket Nos. 10-51 and 03-123

Dear Ms. Dortch:

On March 9, 2017, Angela Roth, President and Chief Executive Officer, ASL Services Holdings, LLC dba GlobalVRS (“GlobalVRS”) communicated with Nicholas Degani, Senior Counsel to Chairman Pai via electronic mail in lieu of a scheduled meeting.

Ms. Roth expressed support of the Commission’s proposed *Further Notice of Proposed Rulemaking* (“FNPRM”) on additional Telecommunications Relay Service Fund program reforms, including adoption of a rate structure that will compensate providers for their allowable service costs under a sustainable program. Ms. Roth noted that the proposed reforms generally stand to help achieve the Commission’s objectives, which GlobalVRS supports. Ms. Roth viewed the proposed FNPRM as a turning point in bringing competitive choice that the Deaf Community has long awaited and urged the Commission to adopt the FNPRM as proposed.

Respectfully submitted,

MILLER ISAR, INC.
